The purpose of the Adopt-a-Lord program is to generate financial assistance for our athletes which will vastly enhance their varsity experience while at Durham College.

ADOPT-A-LORD PROGRAM

The Adopt-A-Lord program is an initiative designed to provide financial assistance to all Durham College student-athletes. When you adopt a Lord, your contribution provides support in ways that directly enhance the experience of being a student-athlete at Durham College. It provides an avenue for alumni, community, family and friends who want to be involved in the lives of our student-athletes.

ADOPT-A-LORD PROGRAM

WHY SHOULD I ADOPT AN ATHLETE

Student-athletes make numerous sacrifices over the course of a season in order to compete at the level necessary for intercollegiate athletics. They also are tremendously dedicated to their academics in order to remain eligible for competition. As a result, most student-athletes suffer the financial strain, not being able to carry a part time job during the season.

Did you know? On average athletes spend 60 hours per week committed to school and sport:

- | | |
|---------------------|----------------------|
| Training • 6 Hours | Practicing • 7 Hours |
| Playing • 6 Hours | Travelling • 6 Hours |
| In Class • 20 Hours | Homework • 15 Hours |

Adopting an athlete is a great way to show support for the growth of our community as well as supporting our future leaders in the community.
